**NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE LAKESIDE PLANTATION COMMUNITY DEVELOPMENT DISTRICT:**

**SECTION 1. BENEFIT & ALLOCATION FINDINGS.** The provision of the services, facilities, and operations as described in **Exhibit A** confers a special and peculiar benefit to the lands within the District, which benefit exceeds or equals the cost of the assessments. The allocation of the assessments to the specially benefitted lands is shown in **Exhibits A and B**, and is hereby found to be fair and reasonable.

**SECTION 2. ASSESSMENT IMPOSITION.** Pursuant to Chapters 190 and 197, *Florida Statutes*, and using the procedures authorized by Florida law for the levy and collection of special assessments, a special assessment for operation and maintenance is hereby imposed and levied on benefitted lands within the District and in accordance with **Exhibits A and B**. Assessments directly collected by the District are due in full on December 1, 2020. In the event that an assessment payment is not made in accordance with the schedule stated above, the

whole assessment shall immediately become due and payable; shall accrue interest, penalties in the amount of one percent (1%) per month, and all costs of collection and enforcement; and shall either be enforced by mandamus or other court action, or pursuant to a foreclosure action, or, at the District's sole discretion, collected pursuant to the Uniform Method on a future tax bill, which amount may include penalties, interest, and costs of collection and enforcement. Any prejudgment interest on delinquent assessments shall accrue at the rate of any bonds secured by the assessments, or at the statutory prejudgment interest rate, as applicable. In the event an assessment subject to direct collection by the District shall be delinquent, the District Manager and District Counsel, without further authorization by the Board, may initiate legal proceedings to collect and enforce the whole assessment, as set forth herein.

- C. **Future Collection Methods.** The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

**SECTION 4. ASSESSMENT ROLL.** The Assessment Roll, attached to this Resolution as **Exhibit B**, is hereby certified for collection. That portion of the Assessment Roll which includes the Tax Roll Property is hereby certified to the County Tax Collector and shall be collected by the County Tax Collector in the same manner and time as County taxes. MINUTES OF MEETING  
LAKESIDE PLANTATION  
COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Lakeside Plantation Community Development District was held on Wednesday, July 15, 2020 at 6:00 p.m. via Zoom Video Conferencing, pursuant to Executive Orders 20-52, 20-69, 20-112, and 20-150 issued by Governor DeSantis on March 9, 2020, March 20, 2020, April 29, 2020, and June 23, 2020 respectively, and any extensions or supplements thereof, and pursuant to Section 120.54(5)(b)2., Florida Statutes.

Present and constituting a quorum were:

Alan (Bud) Sabol	Chairman
Joe Szewczyk	Vice Chairman
Camille Stephens	Assistant Secretary
Pina Chichelli	Assistant Secretary

Also present were:

George Flint	District Manager
Sarah Sandy	District Counsel
Brent Burford	District Engineer
Nathan Trates	Facilities Manager
Heather Alexandre	Vesta
Tricia Adams	GMS
Residents	

**FIRST ORDER OF BUSINESS**

**Roll Call**

Mr. Flint called the meeting to order at 6:00 p.m. and called the roll. All Supervisors were present with the exception of Mr. Roumy.

Mr. Flint: Mr. Roumy had not submitted his Oath of Office. I tried to obtain it in advance of the meeting, but he indicated that he was not going to be able to attend.

**SECOND ORDER OF BUSINESS**

**Audience Comments on Specific Items on the Agenda** *(Speakers will fill out a card and submit it to the District Manager prior to beginning of the meeting)*

Mr. Flint: This is an opportunity for members of the public to provide general audience comments on specific agenda items. As far as the meeting, the Governor issued an Executive Order allowing entities to hold meetings through the use of technology such as Zoom. That order was extended through the end of July, but we don't know what will happen in August. We are going to play it by ear, but the instructions for members of the public to participate in the meeting, is on the District's website. Are there any members of the public that want to comment on specific agenda items? If so, please state your name and address and limit your comments to three minutes.

Deborah Johnson, 1505 Scarlett Avenue: I don't know whether it is on the agenda, but I just wanted to know if the library is going to open in the near future. I'm running out of books to read.

Mr. Flint: On the agenda we have the discussion of amenity operations where we will be talking about amenity operations in light of the pandemic. So, they can discuss that issue at that time. Are there any other public comments? Hearing none,

### **THIRD ORDER OF BUSINESS**

### **District Engineer's Report**

Mr. Flint: Brent, are you here?

Mr. Burford: Yes.

Mr. Sabol: I would like to speak to the Board before Brent gives his report. We had some serious electrical issues. About 1,000 feet of our electric lines were out from Sycamore Street to Toledo Blade Boulevard. We were concerned because a watering system and pumps were out due to having no electricity. Lights were also out. George and I spoke about it and decided it was enough of an emergency, because we could lose our landscaping due to the lack of water. So, we contacted Brent who brought his Commercial Engineer onsite, and now he's going to explain to you what was done. Thank you. Go ahead Brent.

Mr. Burford: The fountains at Toledo Blade Boulevard, irrigation system, and some streetlights did not have power. The power was actually fed just south of Tara Drive, from transformers. The lines go towards Toledo Blade Boulevard. All four electrical conduits were damaged, so we brought in an electrical contractor to evaluate the situation. Yesterday they completed the repairs. They had to replace approximately 440 feet of conductors to get the power back. We actually checked it on the 220-volt panel and it appears that the irrigation pump is

working. We now have power to the fountains, but we need to bring the contractor in to make sure all of that is up and running. So, the electrical issue has been resolved. The only other item that I have is we are still trying to get Randall with Nidy Sports Construction to take a look at issues at the pickleball court. I left him another message today and as soon as we get that scheduled we will have them onsite to take a look at that for you. That's all I have unless anybody has any questions for me.

Mr. Sabol: No.

Ms. Stephens: No.

Mr. Szewczyk: No.

Ms. Chichelli: No.

Mr. Flint: The repair was in the range of \$14,400. They had to pull new wires for about 440 feet and install a junction box halfway down so they could diagnose the problem. As Bud indicated, we didn't believe we had a choice in waiting because the landscaping was in danger. We also had streetlights that were out. Once we receive the invoice we will have it on next month's agenda for ratification. There were also some other expenses related to troubleshooting and diagnosing because they had to indicate whether any existing junction might have been buried in that 1,000-foot stretch of line. They had to bring in some special equipment to do that. Unfortunately they weren't able to find any, so they ended up having to install some. I'm just giving you a heads up.

Mr. Sabol: Brent, do you think there was any lightning or was it just the wiring or both?

Mr. Burford: It could've been a result of both. It does appear that the damage had been there a while, looking at the discoloration on the wires itself. Being that it did happen at the same time and some other equipment was damaged from a lightning strike, that could have contributed to it, but there apparently have been some issues with those lines over a period of time.

Mr. Sabol: I understand. That's all I have for you, Brent.

Mr. Flint: Then we will move on.

*Mr. Burford left the meeting.*

#### **FOURTH ORDER OF BUSINESS**

#### **Unfinished Business**

##### **A. Discussion of Amenity Operations**

Mr. Flint: This item is actually a discussion of the amenity operations in light of the COVID-19 issue. The Board discussed this issue at your last meeting and you approved the steps that staff and the Chairman had taken as far as opening the Clubhouse. However subsequent to the last Board Meeting, we noticed a spike in the number of positive COVID-19 cases. As a result of that, the Chairman asked that staff refrain from being in the Clubhouse at that point. So, there have been some changes on what's open or the capacity. We kind of have been in a holding pattern. This is an opportunity for the Board to provide any feedback regarding the current way that the facilities are being operated.

Mr. Sabol: I believe that it's good to leave it just like it is because this epidemic is not over, and it may get worse. We don't know what will happen. As far as the pool, I think we should leave it like it is and if it becomes worse, we can put a percentage on it at that time. As far as the tennis courts, that's going to be worked on in the next two to four weeks. It depends on the proposals from our man doing the work. So, we don't know exactly when that's going to start, but I think we should leave it just the way it is right now. That's my opinion.

Ms. Chichelli: Are we allowing guests at the pool at this time?

Mr. Flint: They are only allowing residents.

Mr. Trates: I believe just residents. I know some people brought guests and staff let them know they are not allowed.

Ms. Chichelli: So, they are not allowing anybody except residents.

Mr. Trates: Just residents. Correct.

Ms. Chichelli: How many guests are normally allowed at the pool?

Mr. Trates: Under normal operations or currently?

Ms. Chichelli: Normal operations. Currently we are not allowing any guests.

Mr. Trates: I believe it is in the Amenity Policy that five guests per resident are allowed, but I have to double check.

Ms. Chichelli: That's what you told me, and I was wondering if we had something in writing, to make sure we have the right information.

Ms. Stephens: Pina, I think there is something in writing. I'm almost 100% sure, unless it changed.

Ms. Chichelli: Nathan mentioned that and that's why I needed clarification. It was five guests per person. So, if there was a father, mother and two kids, that means they can have 20 people.

Ms. Stephens: No.

Ms. Chichelli: So, it's only five guests per family.

Ms. Stephens: Yes.

Mr. Trates: When I spoke with you on Saturday, I think I misspoke. I apologize for the miscommunication.

Ms. Chichelli: I'm glad that we are clarifying that just in case somebody asks me so I have the right information. So right now we are not allowing any guests, which is good.

Mr. Trates: Correct.

Ms. Stephens: Do you think on the basis of Deborah's question if it's feasible, limiting it to any four people at one time in the library and letting them wear a mask so they can go in? Not to play games or have a meeting or anything. Just to go in and get a book or leave a book. Do you think we can do that, that staff could monitor since it's in the same building with no more than four residents at one time? Is that something we can think about or is that off the table?

Mr. Sabol: As far as I'm concerned, we can let people in the library, but I think that four is too many. Maybe just limit it to one at a time.

Ms. Chichelli: How about having them call in and make an appointment?

Mr. Sabol: That would be okay with me.

Ms. Stephens: We can use Deborah as a point of reference. She's running out of books to read. She can go in there and get a couple of books. Then you won't see her for a week or two.

Mr. Sabol: I think that's a reasonable request.

Ms. Chichelli: Do you prefer people calling to set up an appointment? Is that how you want to leave it?

Mr. Sabol: Yes, that would be the way to do it.

Mr. Trates: I think that's a good idea.

Ms. Chichelli: How about sanitizing the books that they bring in or take out? Is that something we need to take care of?

Ms. Stephens: I don't know if that's really necessary. We go to Books A Million. I don't think they sanitize 1,000 books.

Ms. Chichelli: Okay.

Mr. Sabol: Just to protect ourselves, it would not hurt when someone leaves the library for an attendant to go in there and disinfect the area with a spray or something like that. That will not hurt the books.

Mr. Trates: We would sanitize regardless.

Ms. Stephens: If you felt strongly about sanitizing books as they are brought in, put a big basket on a chair in the Clubhouse. They could deposit the book there and staff can do whatever it is they are going to do to keep it clean if that's what you choose to do, but I don't think it's necessary. That's just my opinion, but I will let the rest of the Board decide. Another option would be to put the books in a basket and leave them for a certain number of days.

Mr. Sabol: It doesn't hurt to take every precaution we can because of this epidemic. We should take every precaution we can, but I think what you are discussing is a good idea.

Ms. Stephens: Okay.

Mr. Flint: Is there any other discussion on the current amenity operations?

Mr. Sabol: No.

Ms. Stephens: No.

Ms. Chichelli: No.

Mr. Flint: District Counsel and I will verify the limit on the number of guests for the record. Right now it is not an issue. We want to review the Amenity Policy to make sure the correct information is being provided. It is not necessarily relevant today, but it will be when the facility reopens.

**FIFTH ORDER OF BUSINESS**

**New Business Items**

Mr. Flint: We don't have any.

Mr. Sabol: George, I have some new business for the Amenities Manager when we get to the end of the meeting.

**SIXTH ORDER OF BUSINESS**

**Business Administration**

**A. Approval of Minutes of June 17, 2020 Meeting**

Mr. Flint: Did the Board have any comments?

Ms. Stephens: No.

On MOTION by Mr. Sabol seconded by Ms. Szewczyk with all in favor the minutes of the June 17, 2020 meeting were approved as presented.

**B. Approval of Check Register**

Mr. Flint: We have the Check Register for May for the General Fund and utility automatic drafts totaling \$41,646.42. Were there any comments or questions?

Ms. Stephens: I don't.

Mr. Szewczyk: I have a question. Something that I haven't seen before from your company is Dissemination Agent services. Can you explain that to me?

Mr. Flint: You see it once a year. I don't remember if we bill it monthly or annually. When the District issued bonds, it approved a Continuing Disclosure Agreement. The District has an ongoing obligation to some reporting. Initially, you have quarterly and annual reports. Then after a period of time, it transitions to just annual reports. The District engages a Dissemination Agent to file those reports that basically, bond holders or potential bondholders can access, so they have disclosure of any issues that may have occurred. As part of our agreement, we serve as Dissemination Agent.

Mr. Szewczyk: Okay.

Mr. Flint: I don't know if you're seeing it on our invoice combined with our other fees, but it's something that's always been billed. We have served as Dissemination Agent since we were hired.

Mr. Szewczyk: Okay.

Mr. Flint: Are there any other questions?

Mr. Sabol: I have none.

Ms. Stephens: No.

Ms. Chichelli: No.

Mr. Flint: We need a motion to approve the check register.

On MOTION by Mr. Szewczyk seconded by Mr. Sabol with all in favor the Check Register for May 1, 2020 to May 31, 2020 in the amount of \$41,646.42 was approved.

**C. Balance Sheet and Income Statement**

Mr. Flint: Next are the unaudited financial statements through May 31, 2020. No action is required by the Board. If you have questions we can discuss those. As of the end of May we are down about \$30,000 on operation and maintenance (O&M) assessments, which is not unusual. Tax certificate sales have historically been 100% collected. That won't be reflected until your June financial statements. We will keep an eye on that. Otherwise on the expenditures, your actuals compared to your pro-rated budget were below February's. If there are any specific items, we can discuss those. If not, no action is required. Are there comments or questions on the financials?

Mr. Sabol: No.

**SEVENTH ORDER OF BUSINESS**

**General Audience Comments**

Mr. Flint: This is an opportunity for members of the public to discuss items on the agenda that you would like to bring to the Board's attention. State your name and address and try to limit your comments to three minutes. Are there any audience comments? Hearing none,

**EIGHTH ORDER OF BUSINESS**

**Staff Reports**

**A. District Counsel**

Mr. Flint: Sarah?

Ms. Sandy: I just have one item to update the Board on. Some new legislation was signed by the Governor last month, known as SB-1466, affecting CDDs. One clarified certain Conflicts of Interests laws that previously existed that still apply. There was an amendment to the constitution that created some confusion on what prior legislation was still applicable. For this District, I don't believe that will affect this CDD. It also reduces the CDD's requirements on what to post on the website. For example, audits don't have to be posted if they are posted on the Florida Auditor General website. We don't have to post our Facilities Report. Additionally, while the meeting agenda itself has to be posted, the meeting materials do not have to be. This might not apply to this District. In some Districts, we are seeing increased costs, due to making CDD websites ADA compliant. I don't believe that is an issue here at this time, but if it becomes an issue it is certainly something that we can discuss. That's all I had for the Board.

Mr. Flint: Regarding the website, although there were items that previously had to be on the website that are no longer on there we intend to continue to place the entire agenda on there and keep the other information on there. We don't anticipate any cost savings at this point from eliminating any of that, so we will just continue including it unless the Board tells us otherwise. We are converting those PDFs to the proper format to comply with ADA requirements. There is no additional expense to do that.

**B. District Manager**

**i. Action Items List**

Mr. Flint: You have the Action Items List. The streetlight on the corner of Plantation Boulevard and Tara Drive was completed and will be removed from the Action Item List. You awarded the contract for the tennis court fencing. The contractor has had some issues. Nathan may have an update under his report, but the starting date may be inflexible. We deferred any discussion or action on the tennis court lights at the last meeting. I'm not sure if Nathan has an update under his report. The pickleball drainage project was completed and will be dropped from the Action Item List. Regarding contacting the city about the enforcement of items in the area behind the curb, in between the spine, curb and front wall, they indicated that they can't enforce in that area. We asked for a specific code citation from them at least twice, so we can just review it and provide to District Counsel. They haven't provided that yet, but we will continue to monitor to make sure that they truly can enforce it. The Chair already spoke about the electrical issue on Plantation Boulevard. That repair has been completed. Blooming's was out this afternoon to check the irrigation. They tested the well and pump, reset the controllers and indicated that the irrigation system was working. They believe that most of the landscaping will recover with the exception of the annuals in the front of the median. Those failed and will likely have to be replaced. I already asked Blooming's to tell us what needs to be done to address that issue. So that's what we have for action items. Are there any other comments or additions to the Action Items List?

Ms. Stephens: No.

**C. Amenities Manager – Monthly Report**

Mr. Trates: This month the pool motor was replaced by Spies Pools and the spa motor was replaced by Johns Electric. As Brent said, MG Electrical repaired the front fountains and irrigation. As George just said, Blooming's was out this afternoon to check the irrigation. I also have Johns Electric scheduled to check the fountain motors and pumps. Our new maintenance man Anthony is doing great so far. The new Clubhouse kitchen refrigerator was delivered. Nautilus Pools will begin installing the new accessible pool chair lifts tomorrow, July 16. The pool and deck will be closed for two days while this work is being completed. We are working with Stewart Tennis on a new start date for the projects, but I do not have an update at this time. I have two quotes to review with the Board, regarding exterior painting of the Clubhouse. The first is a revisited quote from Ed Handy Home Improvement for painting the full exterior of the Clubhouse. This includes all exterior walls, trim, including windows and doors and 24 post columns. This also includes the small gazebo on the pool deck. Material and labor are included, and the price is \$7,500. The second quote is from Bayshore Painting, who painted the exterior of the Clubhouse in 2006. For \$12,000, they would pressure wash and mildew treat the exterior, caulk windows, repair any cracks, prime and paint all exterior walls and trims including windows and doors, 24 post columns and a small gazebo on the pool deck. They also included some additional options including painting the verandah entry ceilings around the Clubhouse for \$2,000 and sanding all four metal French doors, applying a fast cure epoxy to seal the doors, priming and painting for \$850. When I spoke to Frank, the owner from Bayshore Painting, he said that the doors look like they need to be replaced soon, which would add many more years, as well a better aesthetic appearance for the doors and maintenance. The total cost for the painting and additional options was \$14,850. Out of the two options, my recommendation would be to approve the proposal from Bayshore Painting, even though the price is much higher. Their references are unmatched in quality for large property jobs. The Clubhouse is such a large part of our community and this will make it shine brighter for years to come if done correctly. Those are the two quotes and at this time, I will turn it over to the Board for discussion.

Ms. Stephens: It seems like their work is much more detailed and we get a "Bigger bang for the buck." I know it's a lot of money, but we need to do it.

Ms. Chichelli: Do the proposals compare apples to apples? Did he get any information on what parts he should be working on?

Mr. Trates: When I spoke to Ed Handy, when he was just doing the exterior, he mentioned the exterior walls, the trim, windows, columns and doors. I didn't ask for the additional items. I think Frank Moore from Bayshore Painting has been familiar with the property since they did the painting job before. He added more detail of things that he saw that needed to be done. If you go through the list, it is very true of things that would bring it to the next level for the next 10 plus years.

Ms. Chichelli: I noticed the doors need a good painting.

Mr. Sabol: If we look at those proposals, preventative maintenance is very important. If Bayshore is really applying what that they are going to do, it is very important to make the paint job last another five, six or seven years. So, my vote would be to choose Bayshore.

Ms. Stephens: I agree.

Ms. Chichelli: Is there a warranty, Nathan?

Mr. Trates: There was a warranty with the emerald paint from Sherwin William, but I don't see one listed on his proposal. I can ask him.

Ms. Adams: We can ask for a warranty.

Mr. Sabol: What kind of time limit did Bayshore put on that? Can they do it within the next six weeks or before the traffic starts coming back?

Mr. Trates: He said that right now, they are four to five weeks out, so if it was approved, they could get us on the schedule at the end of August or beginning of September. He said it would take four or five days to complete the work.

Mr. Sabol: Right now, there is not too much going on, but once we get to the tennis courts and the painting and some different projects, we should do it before the influx of people come back.

Mr. Trates: I agree.

Mr. Flint: The Reserve Study had \$11,000 programmed for 2021 for exterior painting, so I think this cost is in line. The Reserve Study is really just a guide. It could be earlier, or it could be later. So, I think we are in the ballpark, based on the age. Reserve Advisor believed that the exterior needed to be painted. I think the additional items are adding to the expense, so it's not necessarily in line with The Reserve Study, but I don't think it's that far out of the parameters. Is there a motion to approve the proposal from Bayshore Painting, subject to District Counsel drafting an agreement with warranty provisions?

On MOTION by Mr. Sabol seconded by Ms. Stephens with all in favor the proposal from Bayshore Painting as stated above in the amount of \$14,850 was approved.

Mr. Adams: Is this a base proposal or would there be additional options?

Mr. Trates: It's for everything.

Ms. Stephens: We have to do it all. It's all or nothing. We have to make it all nice. If it's \$14,850, that's what we have to do.

Ms. Chichelli: If the doors are rusted, you can't paint it.

Ms. Stephens: You can't leave rusted doors. That looks ridiculous.

Ms. Chichelli: Exactly.

Mr. Trates: It saves us in the long run.

Ms. Stephens: That's right.

Mr. Flint: Is that all you have, Nathan or do you have other items?

Mr. Trates: That's all I have. Bud briefed me before the meeting that he wanted to bring up about possibly receive quotes for the kitchen. So, I just wanted to turn it over to Bud, to see if he still wanted to bring that up.

Mr. Sabol: Yes, I do. Before we go any further, I just want to make sure that we discussed the new pumps out front and everything is in line? The water would be turned on now and John will come in next Friday or Monday to relocate the motors.

Mr. Trates: Johns Electric is going to be out to check on the motor system to make sure they are running correctly. Before we had this electrical issue, we had an issue with people putting soap into both fountains, which caused some issues with the pumps. Johns Electric is going to be coming out either the end of this week or first of next week to get that up and running.

Mr. Sabol: Okay, I understand that. I have another issue that I would like to discuss with the Board. Our kitchen in the Clubhouse is deplorable and needs some attention. How much attention, I don't know, but I want to put it up for discussion because we did put in a new refrigerator/freezer, but the cabinets are in bad shape and peeling. The countertops are also bad. I would like for the Board to discuss it and see what they think.

Ms. Stephens: At the last meeting when I said that Pina and I would be in there tearing down the cabinets, she must have gone home and thought about it.

Mr. Sabol: Camille, I was in there the other day and I looked around and it is deplorable. You can peel everything right off of the cabinets.

Ms. Stephens: Yes.

Mr. Sabol: It needs work.

Ms. Stephens: I guess Nathan would be the go-to person to get a few quotes to tear out the cabinets. It doesn't have to be top of the line. Somewhere in the middle, get something that would be user friendly to all of the people that come in and out of that kitchen. We don't necessarily need a stove. It would be great idea, but I think that we need to redo the kitchen, but not the floor.

Mr. Sabol: Not the floor, but on the other hand, if we put in a stove, is the permitting process beyond what we want to get into.

Mr. Flint: We have to talk to North Port, but typically when you put a stove in the Clubhouse, it's subject to the commercial code, which means you must have commercial vents. It becomes very costly.

Ms. Chichelli: You must have inspections every year.

Mr. Sabol: If it's very costly, let's not worry about it.

Ms. Stephens: In years gone by, the previous Boards looked into it, but it wasn't worthwhile. That's why they never pursued it any further.

Mr. Sabol: As long as we are discussing this, where are we, George, as far as finances? We talked about this before. If the paper were to be stripped in the Clubhouse and repainted, that's one thing, but to redo the floor in the Clubhouse is costly.

Mr. Flint: There are budget items for furniture replacement and paint finishes. It contemplated \$36,000 for interior painting and furnishings, so the \$130,000 per year that you set aside for reserve, contemplated interior renovations and furniture replacements. In 2029, it has a full interior renovation of \$88,000. The consultant assumed, based on the ADA requirements, that you would be remodeling in this time frame. So, the funds are there in the event you do something to the interior.

Mr. Sabol: How does the rest of the Board feel about that?

Ms. Stephens: Do you really think it needs to be done? Joe, can we get some input from you?

Mr. Szewczyk: I know that it needs to be done, but we still have some loose ends in the bathroom, so I think we should wait until those two things are done before we start delving into a bigger project like that main room.

Ms. Stephens: I agree.

Mr. Sabol: That is a good idea. I was just going to suggest that, Joe. Let's put that on the deferred list for another year and obtain proposals for the kitchen.

Mr. Szewczyk: Nathan, I know quite a few cabinet people in this area. I can get you their names and tell them that you might be calling them to reach out and maybe we can get some estimates from them.

Mr. Trates: Great. Thank you, Joe.

Mr. Sabol: That's a very good idea.

Mr. Flint: Is there any other discussion?

Mr. Szewczyk: No.

## **NINTH ORDER OF BUSINESS**

### **Other Business**

Mr. Flint: Is there any other business that the Board wanted to discuss that was not on the agenda?

Mr. Sabol: I have none.

Ms. Stephens: I have nothing.

Ms. Chichelli: No.

Mr. Szewczyk: When Rena was the landscape liaison, there was discussion about re-doing the mulch. Is that going to happen?

Mr. Flint: I can follow up with Blooming's to find out what the current status is.

Mr. Szewczyk: The areas around the trees look shabby.

Mr. Sabol: I spoke to Blooming's about this a couple of time, but it didn't sound like they were excited about it. So, I think somebody has to talk to Blooming's to find out what the problem is, because that was supposed to be done.

Ms. Stephens: Why can't we have someone serve as liaison with Blooming's to make sure that they are doing the right thing?

Ms. Chichelli: I volunteer.

Resident Charles Gonzalez: I have a question about Blooming's.

Mr. Flint: We are not taking audience comments right now.

Mr. Gonzalez: They start a project, but never finish.

Ms. Chichelli: If you would like, I can follow up with them.

Ms. Stephens: How about Rick Huddleston? In prior years, he used to be point person that would keep on top of Blooming's for different things.

Mr. Sabol: We should have someone from the Board.

Ms. Stephens: That's fine. It was just a suggestion. How about Joe?

Mr. Sabol: Joe could do it. He is a very busy and does a very good job, but Camille and Pina want to form a committee between the two of them.

Ms. Stephens: We can't talk to each other.

Mr. Sabol: They can be the liaison to Blooming's for us.

Ms. Chichelli: I volunteered.

Ms. Stephens: That's fine.

Mr. Szewczyk: Pina, the job is yours.

Mr. Sabol: That is correct. Congratulations, Pina. You have the job.

Ms. Chichelli: Thank you.

Mr. Flint: I would be happy to help and I'm sure Nathan would be too.

Ms. Chichelli: I noticed that we have a lot of weeds from Toledo Blade to Panacea Boulevard. You can see the difference between our area and the other community. Why can't this be addressed?

Ms. Stephens: I can show Nathan what I'm talking about and he in turn can show Pina.

Ms. Chichelli: Camille, I see it every day.

Ms. Stephens: That has to be cleaned up every day. It looks terrible.

Ms. Chichelli: I want to look at the contract, just to see what they are supposed to be doing.

Mr. Flint: I will provide you with the contract.

Ms. Chichelli: Thank you.

Mr. Sabol: The public comment period is over.

**TENTH ORDER OF BUSINESS**

**Supervisors' Requests**

Mr. Flint: Is there anything else from the Board? If not, we need a motion to adjourn.

**ELEVENTH ORDER OF BUSINESS**

**Adjournment**

On MOTION by Mr. Sabol seconded by Mr. Szewczyk with all in favor the meeting was adjourned.

Jamie,

In regards to the John's Electric Motor invoices, what are these invoices for? I just need to figure out how to expense these out as there is not much of a description on the invoice themselves.

Thank you for your time!

**ABOUT FURNITURE MOVING:** This is a courtesy, not an obligation... although extreme care is used in handling furniture and bric-a-brac, we cannot assume responsibility for any breakage.

**ABOUT CARPET CLEANING:** Because of fading, color change, shrinking, dry rot, traffic area wear, manufacturer's defect, and deteriorated materials which may deteriorate in the process of cleaning, we cannot assume responsibility for any injuries due to conditions existing prior to cleaning. The very nature of some stains makes it impossible to restore original color or texture. Spotting oxidized rust, glue, cosmetics, ink, urine stains, etc. is at the customer's risk. Removal of spots are not guaranteed, neither is change in shadings, appearance or texture or loss of pile. We are not responsible for shrinkage or seams pulling apart or carpet pulling off backing or backing pulling out of the floor.

**ABOUT CARPET DYING:** We cannot guarantee results because of problems which cannot be anticipated. We do guarantee the benefits of superior knowledge, experience and ultra-modern professional dyeing methods.

No verbal statements, promises or opinions of our technicians shall be binding.

In the event it shall become necessary to collect the herein described sums, or any part thereof, the purchaser agrees to pay all the cost thereof, including reasonable attorneys fees.

**PAYMENT IN FULL DUE** upon completion of work, unless prior credit arrangements are approved. Past Due invoices assessed at 1.5% per month Finance Charge.
